EDUCATIONAL ORGANIZATIONS

Do Something is one of the largest orgs for young people and social change, Do Something members tackle campaigns that impact every cause, from poverty to violence to the environment.

www.dosomething.org

Facing History and Ourselves provides ideas, methods, and tools that support the practical needs, and the spirits, of educators worldwide who share the goal of creating a better, more informed, and more thoughtful society.

www.facinghistory.org

Rethinking Schools is a nonprofit publisher and advocacy organization dedicated to sustaining and strengthening public education through social

justice teaching and education activism. Our magazine, books, and other resources promote equity and racial justice in the classroom. We encourage grassroots efforts in our schools and communities to enhance the learning and well being of our children, and to build broad democratic movements for social and environmental justice.
